

HOW ORDERING A CUSTOM SET WORKS

1 - Order Placement

Customers place their order, providing all required details for their custom set.

2 - Production Timeline

- Small Sets (under 10): Completion in approximately 3 weeks.
- Larger Sets: Completion in 4-5 weeks.

3 - Approval Phase

- Photos of the completed set are sent to the customer for approval.
- Any changes can be requested at this time before finalizing.

4 - Shipping

- Once approved, the set is shipped promptly.
- Domestic shipping (United States) takes only a few days as the business is located in Maryland.

5 - Support

Customers are encouraged to reach out with any questions during the process.
